This classic craftsman style home features a wonderfully inviting full front porch, rear porch or deck, and detached two-car garage. Once inside, you will find a home that lives how you want to live. The first floor offers a formal dining room perfect for holiday gatherings. If you don't need formal dining, this flexible space could be a study, living room, or bedroom. An amazing kitchen features an oversized center island and opens up to the family room. The first floor vaulted master suite has a spacious walk-in closet and luxury master bath. The second floor boasts two additional bedrooms, a full bath, and a relaxing loft space which could also be a fourth bedroom.
