This gorgeous farm house style plan offers thoughtful details and wide-open living spaces. The wraparound front porch offers a warm welcome to guests. The chef's kitchen has ample countertop workspace, a beautiful center island, and a spacious walk-in pantry. First floor master suite has massive walk-in closet and luxury master bath. The second floor is just as spectacular as the first with two additional bedrooms, two full baths, and recreation room which could also serve as a fourth bedroom.
