The Franklin is an awesome inspiring plan, which offers thoughtful details and wide-open living spaces. The front porch offers a warm welcome to guests while the owner's entry offers functionality with access to the laundry room, garage, and kitchen. The chef's kitchen has ample counter-top workspace and a beautiful center island. First floor has a master suite with bay window, his & her walk-in closets, and a luxury master bath. The second floor is just as spectacular as the first with 4 additional bedrooms, 2 full baths and a bonus room over garage. The walk-up third floor offers a fantastic opportunity to expand with more finished area or provides excellent storage space if left unfinished.
