Classic, handsome, charming, stately... these are just a few words which describe The Jefferson, a stunning colonial revival home with arts & crafts accents. Generously proportioned room sizes & old world craftsmanship will remind you of the quality of homes from decades past yet the open flowing interior provides a modern flair. The kitchen was designed with entertaining in mind and opens directly to the massive family room and morning room. Relax through most of the seasons on the optional screened porch. Flexible first floor study or bedroom with full bath. Second floor master suite. Walk-up third floor provides the opportunity to expand. Detached garage with storage above. Garage can be attached, if preferred.
